

JUST ONE LOOK, the Midnight Company's Linda Ronstadt show, has sold out for their upcoming matinee at The Blue Strawberry this Sunday, January 12. It's the latest in a series of over two dozen sold-out performances, as the Company begins its' third year run of the Cabaret/Theatre smash hit.

A new show has just been announced for Saturday, March 22, 7:30pm at The Blue Strawberry. Tickets are now on sale at BlueStrawberrySTL.com, or by calling 314.256.1745.

JUST ONE LOOK, written and directed by Midnight's Artistic Director Joe Hanrahan, features Kelly Howe as Ronstadt. Her delivery of Ronstadt's hit songs has been extravagantly praised, as she sings a wide variety of hits - not only classic rock & roll and rhythm & blues covers, but also samples of her ventures into new genres - Great American Songbook, Gilbert and Sullivan, Spanish and Ronstadt/Dolly Parton/Emmylou Harris collaborations.

The highly praised JUST ONE LOOK band returns with Curt Landes, Piano and Music Director; Tom Maloney, Bass and Guitar; and Mark Rogers, Drums and Vocals.
